“What I heard about money isn’t necessarily true. I choose to adopt new ways of thinking that support my happiness and success.”

“What I modeled around money was their way. I choose my way.”

“I release my non-supportive money experiences from the past and create a new and rich future.”

“I observe my thoughts and entertain only those that empower me.”

“My goal is to become a millionaire and more!”

“I commit to being rich.”

“I think big! I choose to help thousands and thousands of people!”

“I promote my value to others with passion and enthusiasm.”

“I am an excellent receiver. I am open and willing to receive massive amounts of money into my life.”

“I choose to get paid based on my results.”

“I always think ‘I can have both things in my life’”

“I focus on building my net worth!”

“I am an excellent money manager.”

“My money works hard for me and makes me more and more money.”
